VanDerBrink Auctions is pleased to bring you the Ken Brownlee Collection of Ford Collector Cars, hundreds of NOS parts, Advertising, and more collectibles at auction. Growing up in Kansas Ken would go down to the Ford garage and watch the mechanics and eye those beautiful Ford cars. This started his love for those Fords. Ken would go around to area small towns and ask where the old Ford garage was and then he would buy the left over NOS parts. He built a replica dealership to house his collection of Gas pumps, Advertising, Cars and all those hundreds of NOS parts. Ken passed away and the family has decided to sell all of his treasures. The Auction of his cars including a 1966 Shelby Mustang GT350 along with other Mustangs, Model A's, and more, along with all those parts, gas pumps, and more will be NO Reserve. If you are rebuilding a car or looking for parts and unique collectibles you won't want to miss this auction. It's going to be a big day. Plan now to attend this auction!
