46	47S	1935 Chevrolet 1/2 ton Pickup with HEMI motor	<p>You are bidding on a 1935 Chevrolet 1/2 ton pickup that has been owned by the owner since Highschool over 50 years. They were married and dated in this truck. Shirley drove it once and that ws enough. It has too much power and not easy to drive. Ron loved the truck and has kept it around for all these years and the wife. In 1960 He put the 331 chrysler HEMI in it. It has a 1955 Convetible seat. the truck is a 1935 Cab and Box on a 1936 Frame, after a wild adventure with a friend in younger days. He used to drive it to work to the implement dealer and did service work on tractors out of the truck- Note the chain on the inside. That was to chain his tool box so nobody took it. A buddy took and had an accident with the truck and they put a 1936 box on it. Ron has been a motorhead all his life and this truck fit. he added Overdrive transmission for fun. it was blue and then painted red. there is glass broke. the wood in the cab is decent. the pickup has stayed in the family through all these years and been in the shed. The motor is stuck. The body is straight and there is surface rust. It looks rougher than it is. Decent trim, but may not be complete. Clean title. #5 .
