SATURDAY, NOVEMBER 14TH, 2020 AT 10AM  
8191 PRATT RD, ATCHISON, KANSAS, 66002

1932 Was an iconic year for the automotive manufacturers. Body Style changes, motor changes and more. The 1932 Mopar's were no exception. They had a unique classic body design all of their own. Mr. Adair saw these unique features and it fueled his passion to collect and buy any 1932 Plymouth, Desoto, and Dodge that he could find. His particular taste was for the 1932 Plymouths and the collection has many including rare models. Mr. Adair was a local banker for over 47 years. After he retired, he further sought after and bought rare parts and cars. He would pack them away in the salt mines near Kansas City and in Real estate and storage units that he rented. His family knew that he was collecting, but they didn't know how much until they realized it after he passed away. His wife, saw the collection for the first time just a month ago and didn't realize the number of cars and parts and collectibles that he had accumulated. Now you will get to see this hidden treasure of MOPAR cars and parts for the first time. Mr. Adair passed away and his family will sell this unique collection of cars and parts at auction. Many pieces that haven't been seen in over 47 years! Everything will be sold No Reserve. Plan now to attend this amazing auction.
