VanDerBrink Auctions is pleased to bring you the Amazing Bill "Roger" Dickenson Collections. Bill was a fixture around Anoka and Elk River, MN with his bus service. He would quietly help people and more than willing to charter the school kids to their events. Bill carried his father's love of music with an amazing musical box and player piano collection, and many more collectibles. When he retired, he further expanded his love of Brass Era vehicles and went to many swap meets and auctions to build his collection. This amazing collection has vintage motorcycles, collector cars, memorabilia, along with hundreds of parts. Everything will be sold to the highest bidder onsite and with online bidding. You won't want to miss this amazing auction!
