#### **Quote from Yvette-VanDerBrink Auctions, LLC**

“For many years, there has been an Urban Legend of a Nebraska Chevrolet Dealer that hid away cars. Well, now we know who that man was- Ray Lambrecht and Lambrecht Chevrolet Company. Now is everyone’s chance to come and bid and buy a piece of Automotive History. Where else can you go and buy a 1965 Chevrolet Impala new in 2013? It’s amazing. There is something for everyone at this auction from Newer Carss hidden away to project and parts cars along with NOS parts, books, and some advertising. WE will find out what they are worth on 9-28 & 29<sup>th</sup>, 2013 in Pierce, NE. There just anything to compare it to. It’s pretty wild. I’m honored to be working with the family and this fabulous collection. See you at the auction!”
