VanDerBrink Auctions, LLC is pleased to bring you the Soneff's Master Garage Collection Auction. Jay Soneff was raised in a family that appreciated the automobile. Jay's Dad had car lot and he was raised around Hudsons and appreciated their styling and performance. But it was the Mopar Muscle that grabbed Jay's attention. Growing up in the Muscle Car Era Jay spent a lot of time down at Bandimere Speedway for Friday night drags and at 16th St. Downton Denver for the Saturday night cruise. Jay was hooked when he rebuilt that 1st 426 HEMI for a GTX Convertible. It was Mopar Muscle from there and Jay just couldn't pass up a 4speed car! Working side by side with his father, the late Jay Soneff, Soneff's Master Garage Inc. was formed and known for their vintage muscle cars. Jay's philosophy has always been to enjoy one's car. Now's your chance to bid on some of this Mopar and American Muscle. There is something for everyone from a Survivor 1970 Super Bird to multiple Mopar project cars, AMX, Ford, Chevrolet, and more. Cars are more than just a mode of transportation, they are a part of our past, and remind us of those great times of American Muscle! Plan now to attend this amazing auction and get your American Muscle.
